1. Introduction

1.1 Mission Statement

Our goal is to develop an official shopping website for AnQing Luxury Store in order to provide the most luxurious and convenient shopping experiences and the most to our customers.

1.2 Purpose of This Document

This document will briefly introduce and outline the design, features, and walkthroughs for An Qing Luxury Store's official shopping website. There will be an executive summary of this project, walkthroughs for both administrators and users.

1.3 Executive Summary

An Qing Luxury Store is website-based store which aims at selling products, such as cars, furniture, costumes, personal aircraft, robots, etc. from the most well-known luxury brands around the world to those who are interested in the products. It is a website that serves not only the wealthy people, but also those who are in need. Half of its profit in the store will be donated to charities. We promise that we can fulfill the needs in any aspect from our customers on our web page. We provide a wide variety of the latest new-tech products. Most of these products are developed by the research institution of each brand. Even though anyone is eligible to browse the products on the web page. With the consideration of safety, all users will be required to create an account with us before they start their shopping with us.
